

# Training Overview

- All courses are stand alone events, but it is possible to add some together over a number of days if that is preferable.

- Course locations will vary depending on where participants are coming from.
- Course dates can be designed around your available time.
- Some courses will be based from a lodge, while others will be from campsites.
- All participants will be required to carry their share of food and equipment.

- **Hunter training:**

- Basic Package: 2 nights, 2 days based at lodge covering firearm and hunting skills with a short hunt.

- Real Hunter Package: 7 nights, 7 days covering hunter theory, river safety, navigation, environmental issues plus much more including an actual hunt.

- **Bushcraft:**

- Basic package: 2 nights, 2 days based at campsite learning all you need to head for the hills with confidence.

- Expedition package: 7 nights, 7 days travelling most days; revise basics, river safety, navigation and learn special tips and techniques from the experts.

- **River safety:**

- A one day event giving you the knowledge and skills to avoid becoming another victim to the biggest killer in the outdoors.

- **Above bushline:**

- Basic package: 2 nights, 2 days travelling between campsites learning the skills for you to survive and enjoy the open country.

- Sunrise package: 7 nights, 7 days combines above bushline; snow craft, navigation, using a lodge and campsites/snow shelters.

- **Snow craft:**

- Basic package: 2 nights, 2 days based from lodge
